## BODYGARD SURVIVOR™ – Ready for Anything!

Indoor or Outdoor. Emergency or Non-Emergency. This 12-in-1 self-powered Survival Tool generates power whenever and wherever it's needed. No more worries about batteries for the flashlight. No worries even about where or when to charge cell phones and MP3 players. BODYGARD SURVIVOR™ does it all! The flashing red light, panic button and motion activated security alarm help protect its owners from harm – at home, while biking, camping, hiking, fishing, hunting and boating. The compass helps find the way, and the signaling mirror can bring others to help. BODYGARD SURVIVOR™ sells itself!
